

## Save the Date:

### 4 – 8 APRIL – Effective students – teachers conference

**Fun, Friendships and Education** you will attend if you enjoy us to:

The biggest and most awaited training workshop, in the last three years, our **Department of Teacher Training, in Ecological University of Bucharest**: new talks and seminars help all of us to seal the new progressive pedagogy.

#### ***Creativity, Curriculum and Pedagogy: Trends and Perspectives (CCPTP)***

One week of free online workshops led by education experts with proven success. Covering Curriculum strategies and good practice in teaching, our session offers practical advice to future young teachers and optimize the process of teaching.

This conference uses engaging texts and images, so any of our guests might want to attend the event, and includes all the necessary information for teachers and students to leaving us with a strong call to action.

A free, week-long event from April 04-08, as well as an overview of what topics or sessions might be covered.

- 1. In Any School there is a No 1 in Teacher**
- 2. Apply the KISS principle in Education. KISS stands for: Keep it Simple and Successful.**
- 3. Organic learning space: How to create a space in your school for teachers to play, design and collaborate**
- 4. Pedagogy of Game: A Project of Personal, Emotional and Social Escape**
- 5. The Importance of Students\* Choice across Curriculum (Traditional vs. Progressive Curriculum)**

By the end of our online session, you will have got a lots of new strategies and good practice in progressive pedagogy, so you can put in to action together your students.

Please send me the title and a summary of the paper until March 18<sup>th</sup>.
